You can have Denise schedule them. Tell

Her what days you want what scheduled (make it up) & then ask her to spread them out throughout the day.

Micah just told me he's sending an approval. How do you handle? Schedule or post yourself or what?

BTW, he asked me for a TOTAL number of posts in twitter and fb since the incident. Denise is pulling that together.

This morning I sent today, tomorrow, & Wednesday. I don't think we need to send an updated report until the EOC approves the social media I sent this morning. If they don't do that by COB today, I'll go down & check in with them first thing tomorrow.
